Decision Tree: 2/3 rule...If 2 out of 3 answers below are MSE, then MSE may process your reimbursement

- 1) Are you a Materials Science & Engineering (MSE) Student/Employee?
 - 2) Is your Advisor in MSE?
 - 3) Is the shortcode MSE funds?

Business Purpose

The university will reimburse students or employees for reasonable and necessary expenses incurred in connection with approved business travel, hosting, and supplies for lab. A 'necessary expense' is one for which there exists a clear business purpose and which is within university [expense policy](#) limitations. The business purpose must support or advance the goals, objectives and mission of the university and must adequately describe the expense as a necessary, reasonable, and appropriate business expense for the university. When attending a conference, the business purpose should include the conference name and dates. Student may get reimbursed for some travel expenses prior to your travel departure (i.e. registration, airfare).

Late Out-of-Pocket Expenses Treated as Taxable Income

Expenses should be reconciled in the university's travel and expense system within [45 days](#). Provide a comment to explain the exception for each line with transaction date > 45 days. **Out-of-pocket expenses submitted more than 45 days after the transaction date — or end of the trip for travel expenses — will be treated as taxable income and need to be processed through Payroll using a a discretionary account (non-sponsored funds shortcode).**

Please keep in mind that for late receipts to meet the exception to the Accountability Plan requirements (established by the IRS), they are generally based on extenuating circumstances such as extended personal illness, death in the family, unanticipated leave of absence, unforeseen emergency beyond the control of the employee, and other similar circumstances. To request an exception, complete, and include with receipts, the [Accountable Plan Exception Request Form](#).

DEFINITIONS (out-of-pocket expenses)

Due Date – 45 days after the Start Date

Start Date – The start date is generally the date of the transaction (includes virtual conference registration fee); however, other dates may also serve as the start date.

1. When traveling, the start date for expenses incurred that relate to the trip is the date of the trip's end (includes, airline or conference registration invoices purchased months prior to the conference, per diem, and mileage)
 - o Using the date of the trip's end or the date of the event in lieu of the date of the transaction allows employees to bundle multiple expenses that relate to the trip or event into one report which minimizes costs and maximizes time management.
2. When hosting an event, the start date for expenses incurred that relate to the event is the date of the event

- Using the date of the trip's end or the date of the event in lieu of the date of the transaction allows employees to bundle multiple expenses that relate to the trip or event into one report which minimizes costs and maximizes time management.

End Date – The end date is when the individual has submitted the expense report in Emburse Enterprise and subsequently demonstrates good faith efforts to comply with the reimbursement process, e.g., responds timely to requests for additional information. Alternatively, when using the expense report creation service provided by Shared Services Center (SSC) the date that substantially all the receipts have been provided to SSC serves as the end date so long as the individual requesters:

- Provide sufficient information when submitting their initial reports
- Respond to questions for additional information and submit the report through Emburse Enterprise within a reasonable period. i.e., no later than 10 calendar days

-- Questions regarding Procurement and Travel policy, email procurement.services@umich.edu or call 734-615-2000 (option 3, then option 1).

-- Questions regarding taxation of late expenses, email taxreporting@umich.edu.

A. Graduate Students

The university reimburses the student who paid for the expense, the name on the receipt. If someone else paid for the expense, that individual needs to submit the request for reimbursement (for non-UM student, provide information and documentation to SSC). If the expense is incurred on behalf of another individual, include the name of that individual.

Use this link to begin the reimbursement process – MSE Travel and Expense (TE) system Website
> <https://deptapps.engin.umich.edu/te/index/myrequests?dept=221800>

Employees, Student Employees will submit their requests using this TE system **or** by logging into their [Emburse Enterprise](#) account where they have an active profile.

Here's an Overview of the Process

- A1)** Student will need the following information and documentation to begin the reimbursement process:
1. As the Requester, it is your responsibility to send an email to your Advisor / Faculty asking them to approve your request for reimbursement and attach that approval to your reimbursement requests. Your request will not be processed without this approval. MSE Approvers will not approve, and SSC will not process, a reimbursement without a copy of email (PDF format) from Advisor / Faculty approving the following:
 - a. Shortcode to use
 - b. Business Purpose
 - c. Total amount of student's request for reimbursement
 - d. Receipts and/or paid invoices you attached to your email for their review
 - e. Per Diem (if applicable)
 - i. While guests are not subject to the per diem policy, units may reimburse per diem instead of actual expenses.
 - f. Mileage (if applicable)
 - i. Place of origin and destination (Street address, City, State, Zip)
 - ii. Indicate if mileage is roundtrip
 2. Student Legal Name (Note: If you do not provide your legal name, your bank will decline your check, you will need to ask SSC to make the correction, and MSE approval flow starts again.)

3. Mailing address (Street address, City, State, Zip) (Note: If you do not provide the correct address, your bank will decline your check, you will need to ask SSC to make the correction, and MSE approval flow starts again.)
4. UMID (Guests will not have UMID)
5. Shortcode (If out-of-pocket expense is late, SSC will need a discretionary account since it is now a taxable expense.)
6. Business purpose
7. For travel to conferences, documentation supporting the business purpose (see [CoE Travel and hosting Policy](#))
 - a. Conference agenda, program, or invitation
 - b. Conference website URL/Link
 - c. Location
 - d. Dates
8. Total dollar amount of request for reimbursement (“plus per diem and/or mileage”, if applicable)
9. Receipts with proof of payment (submitted to and **approved** by Advisor)
 - **Your request will not be processed if the receipts do not show proof of payment.** Go to [Receipt Resource](#) page for information required on receipts and see “Helpful Information and Links” below.
10. Rackham travel grant email, if applicable
11. Whether the request is for academic pursuit
 - **(If the request is for university business, then the student has access to the link (<https://deptapps.engin.umich.edu/te/index/myrequests?dept=221800>))**
12. Expense report title - If you have access to the above-mentioned [TE system website](#), under **Additional Comment** ask SSC to add your unique name in the expense report title as an identifier (not Research Administrator (RA) or Approver's unique name).
13. Expense report approver - Default approvers can be your faculty’s designated RA. Staff should only be listed as Approver if supervising someone.

- A2)** The student submits a request, which sends an email to expensereports@umich.edu on submit.
- A3)** This creates a TDX ticket with the SSC, and the student should receive an email confirmation from TDX.
1. If the student doesn't receive a confirmation email, it means something went wrong, so contact SSC to investigate the reason the confirmation email is being suppressed.
 2. If an incorrect Request Type (e.g., “Standard Reimbursement” instead of “Travel/Expense Reimbursement”) is chosen, the report may not be routed for review and approval. If the student is an employee, “...Guest” should not be chosen.
- A4)** SSC will work with the student if the student has questions. For the status of your reimbursement, contact the SSC ([eForm](#), sharedservices@umich.edu, 734-615-2000 option 3, 1)
